

The 2023 Brain Injury Hope Foundation

OUR FOUNDATION FOSTERS HOPE FOR A BETTER LIFE.

Thanks to your generous donations our monthly Brain Injury Survivor's Series has grown both nationally and internationally. Your commitment has made this happen.

In addition to the monthly Survivor's Series, the BIHF provides funds for food, rent, utilities and computers to help TBI survivors connect with the outside world. Sustaining independence and fostering resiliency is part of our mission.

Over the last several years we have helped over **4300** individuals!

"We make a living by what we get, but we make a life by what we give."

- Winston Churchill
